Lisbon, November 2nd, 2020

S&P Global Ratings (“S&P”) reaffirmed Galp Gás Natural Distribuição, S.A. (“GGND”) long-term corporate credit rating at ‘BBB-’, after the planned acquisition by Allianz Capital Partners; with outlook stable

Pursuant to and for the purposes of article 17 of Regulation (EU) No. 596/2014 of the European Parliament and of the Council, of article 248-A of the Portuguese Securities Code, and of article 3 (d) of CMVM Regulation No. 5/2008, GGND hereby announces that S&P reaffirmed its ‘BBB-’ long-term corporate credit rating with stable outlook.

The rating and outlook were reaffirmed considering that the agreement announced on October 26 between Galp Energia, SGPS, S.A. and Allianz Capital Partners is expected to pursue a financial policy supportive of an investment grade rating, a limited expected impact on GGND’s performance from the COVID-19 pandemic and continuing stable and supportive regulatory environment.
